WHAT IF

```
      G                    C           D
Orville said        this is the day
      G                    D   C    D
Amelia you will land perfectly
             Am
     But Amelia said    what if
                    C           D
     What if I always trip
     C         D              G
     What if  What if  What if

          G
     Orville said say
             D    C        G
     Bye bye Dragon Fly
             D        C        G
     The Greater One's in me
             D            C        G
Your thoughts are never mine
          C         D       G
     I have been set free
